

## Spatial Demography Journals

Stephen A. Matthews and Carla Shoff  
(August 2009)

Stephen Matthews and Paul Voss independently compiled listings of special issues of journals carrying articles on spatial demography-related topics (the list is likely incomplete). Below is their combined list (in chronological order).

<i>International Regional Science Review</i> (Vol. 20, Nos. 1 & 2, 1997)
<i>Journal of Real Estate Finance and Economics</i> (Vol. 17, No. 1, 1998)
<i>Journal of Housing Research</i> (Vol. 9, No. 1, 1998)
<i>Journal of Quantitative Criminology</i> (Vol. 15, No. 4, 1999)
<i>Geographical &amp; Environmental Modelling</i> (Vol. 5, No. 1, 2001)
<i>Agricultural Economics</i> (Vol. 27, No. 3, 2002)
<i>Political Analysis</i> (Vol. 10, No. 3, 2002)
<i>Political Geography</i> (Vol. 21, No. 2, 2002)
<i>Rural Sociology</i> (Vol. 67, No. 4, 2002)
<i>Journal of Geographical Systems</i> (Vol. 5, No. 1, 2003)
<i>International Regional Science Review</i> (Vol. 26, No. 3, 2003)
<i>Journal of Economic Geography</i> (Vol. 4, No. 1, 2004)
<i>Proceedings of the National Academy of Sciences</i> (Vol. 102, No. 43, 2005)
<i>American Journal of Preventive Medicine</i> (Vol. 30, No 2, Supplement, 2006)
<i>Environmental and Ecological Statistics</i> (Vol. 14, Nos. 1 & 2, 2007)
<i>Environmental and Ecological Statistics</i> (Vol. 14, No. 3, 2007)
<i>Journal of Econometrics</i> (Vol. 140, No. 1, 2007)
<i>Population Research and Policy Review</i> (Vol. 26 Issue 5/6 (2007) & Vol 27 Issue 1 (2008))
<i>Children and Youth Services Review</i> (Vol. 31, No 3, 2009)
<i>American Journal of Education</i> (Vol. 115. No 4, 2009)

For a brief commentary on *GIS and Spatial Demography* see [http://www.pop.psu.edu/gia-core/pdfs/gis\\_rd\\_03-63.pdf](http://www.pop.psu.edu/gia-core/pdfs/gis_rd_03-63.pdf)

## **Discipline Specific Journals that have carried spatial demography and related articles**

In general there are several journals that published articles on spatial demography and related topics. These include:

### **Agricultural Economics**

<http://www.wiley.com/bw/journal.asp?ref=0169-5150>

### **Applied Spatial Analysis and Policy**

<http://www.springer.com/geography/human+geography/journal/12061>

### **Demography**

<http://www.popassoc.org/i4a/pages/index.cfm?pageid=3576>

### **Environment and Planning A**

<http://www.envplan.com/>

### **International Regional Science Review**

<http://irx.sagepub.com/>

### **International Journal of Health Geographics**

<http://www.ij-healthgeographics.com/>

### **Journal of Geographical Systems**

<http://www.springer.com/economics/regional+science/journal/10109>

### **Journal of Quantitative Criminology**

<http://irx.sagepub.com/>

### **Political Geography**

[http://www.elsevier.com/wps/find/journaldescription.cws\\_home/30465/description#description](http://www.elsevier.com/wps/find/journaldescription.cws_home/30465/description#description)

### **Population Research and Policy Review**

<http://www.springerlink.com/content/v4571185g72643w7/>

### **Population, Space and Place** (formerly the International Journal of Population Geography)

<http://www3.interscience.wiley.com/journal/106562735/home>

### **Rural Sociology**

<http://ruralsociology.org/pubs/ruralsociology/>

and ... there are many others !!!

## **SOME GIS-related Journals that should be of interest to Spatial Demographers**

### **Computers, Environment and Urban Systems**

[http://www.elsevier.com/wps/find/journaldescription.cws\\_home/304/description#description](http://www.elsevier.com/wps/find/journaldescription.cws_home/304/description#description)

### **Geographical Analysis**

<http://www.blackwellpublishing.com/journal.asp?ref=0016-7363>

### **International Journal of GIS**

<http://www.tandf.co.uk/journals/titles/13658816.asp>

### **Journal of Geographical Systems**

<http://www.springerlink.com> (search for “Geographical Systems”). The journal is listed as item #1273 as of May 19, 2005.

### **Letters in Spatial and Resource Science**

<http://www.springer.com/economics/regional+science/journal/12076>

### **Spatial Economic Analysis**

<http://www.tandf.co.uk/journals/titles/17421772.asp>

### **Transactions in GIS**

<http://www.blackwellpublishing.com/journal.asp?ref=1361-1682>
